Are you looking for a scholarship or a research grant?

www.grants.at, Austria's most comprehensive database for scholarships and research grants in German and English language, offers you at a glance ♥

- worldwide grants for Austrian students, graduates and researchers
- grants for international students, graduates and researchers in Austria
- research grants, prizes and practical training courses in Austria and all over the world
- national grants and universities' individual grants.

Systematic search

grants.at contains information about application conditions, duration, quota and amount of benefit of each grant.

You can systematically search for

- name of grant
- type of grant
- country of origin
- target country
- target group
- special grants for women
- area of specialisation

When you have found a suitable grant please apply directly at the application address stated in the grant description.

Always up-to-date

grants.at informs you about more than 1100 scholarships, research grants, prizes and the universities' individual grants. The OeAD-GmbH guarantees you to expand this database continuously and will equip you with all the latest information. As a special feature **grants.at** allows grant-awarding institutions to update their entries themselves. Do you know a grant that is not yet included in our database? Please let us know: info@oead.at.

grants.at on your website

Would you like to integrate **grants.at** on your institution's website? We will be pleased to help you – send us an e-mail: info@oead.at.

A trend-setter

International and national accesses to our database are increasing continuously. This proves that **grants.at** contributes essentially to the support of academic mobility.

Who is behind grants.at?

grants.at is an initiative of

→ Austrian Federal Ministry of Science and Research (**BMWF**)

→ Austrian Agency for International Cooperation in Education and Research (**OeAD-GmbH**)

and has been expanded with financial support of the EU in the framework of **Euraxess – Researchers in Motion**.
